WORLD FINALS SADDLE SILKS PROGRAM

WELCOME TO THE 2026 NCHA WORLD FINALS!

WE'RE GLAD YOU'RE HERE, AND WE LOOK FORWARD TO CELEBRATING YOUR SUCCESS TOGETHER!

We are excited to introduce you to the NCHA World Finals Saddle Silk Program; a unique opportunity to support one of the most prestigious events in the cutting horse industry. The World Finals brings together top horses and riders, devoted enthusiasts, resolute sponsors, and industry leaders from across the country.

First, we would like to thank our generous sponsors who have made this saddle silk program possible! The following sponsors are supporting a team that encompasses one rider from each of the 11 World Finals classes. All proceeds raised through the saddle silk program are matched by NCHA and support the World Finals purse.

If you see these incredible sponsors, please thank them for their support of the prestigious NCHA World Finals!

HOW THE SILKS WORK

Teams are randomly drawn and include one rider from each of 11 World Finals classes. In the Non-Pro and Open classes, silks are worn during the third and fourth rounds. In the remaining nine classes, the silks are worn during the second round.

Your team silk will be distributed by an NCHA staff member in the warm-up arena of the Watt Arena prior to the appropriate go round. The silk is to be worn during competition and then immediately returned to the staff member so it can be given to your fellow teammate for the next class.

This year, we have 15 teams with one exhibitor from each of the 11 World Finals classes – adding excitement, camaraderie, and a little friendly competition throughout the event. If there is not a full team of 11 competitors, the average score of that class will be used for team calculations. The scores in rounds three and four from the Open and Non-Pro and the scores from second round from the remaining nine classes will be combined to determine the highest scoring team.
