Director Consent Form

Dear NCHA Directors and 2026 Applicants,

As required by the NCHA Constitution and Bylaws, those persons desiring to serve on the NCHA Board of Directors must give consent for their name to be placed in nomination. All members meeting requirements for a Director position contained on the following form, and giving permission for same, will then be listed on the election ballot sent to NCHA members in those Districts holding elections for the current year. The consent form must be received in the NCHA Office by close of business on **January 15, 2026**.

It is the goal of the National Cutting Horse Association to have an active Board of Directors who represent all members and desire to be active with NCHA governance. **All incumbent Directors** whose term has been fulfilled **and who desire to serve a new term on the NCHA Board of Directors, must give consent by returning the form in order for their name to be placed on the election ballot.** Active campaigning based on issues to encourage NCHA growth and development is encouraged.

NCHA Board of Directors election is the opportunity to furnish biographical information, a head shot photograph (encouraged) and to campaign as to why you desire to serve the NCHA in a Director Position. This information will be published on the NCHA website for membership review during Director Elections.

I hereby agree my name may be placed in nomination for election to the NCHA Board of Directors. If elected, I agree to attend the meetings of the NCHA Board of Directors as set forth in its current Constitution and Bylaws. I have been a member of NCHA for at least three (3) years, am twenty-one (21) years of age or older and have not been convicted of a felony.

----Questions:----

1. Why do you want to serve the NCHA in a Director position and what do you want to accomplish? *Required

Answer: I am interested in learning more about the inner workings of NCHA and would like to see more done for the small show producers.

2. What do you feel should be the most important issue addressed by the leadership of NCHA at this present time? *Required

Answer: I would like to see the NCHA give more leniency to the show producers with regard to changes they may need to make on short notice. There are times 30 days does not work especially for the small producers.

3. NCHA Experience (Competing, serving as a Director, serving an affiliate, on a committee, etc.): *Required

Answer: I have been a NCHA member since college. I have been a certified secretary since 2016. I served as the Montana CHA association secretary from 2018 to 2023. I am currently a Montana CHA Board member. I compete as a Non-Pro.

4. Your vision of how and what the NCHA can do to sustain and grow membership:

*Required

Answer: I believe the Circuit program has done an exceptional job for the weekend cutter and would like to see it continue to grow. I would love to see Western Nationals brought back. It gave people, especially new cutters a goal to reach for. It also served as a place to compete on a larger scale without the travel to Texas.

5. What qualifications/skill sets/experiences will you bring to the NCHA Board of Directors?

*Required

Answer: I am fortunate to have been involved in all aspects of our association; secretary, competitor, trainers wife, client, etc. My financial background gives me a different view of how our show succeed.

6. Additional information you would like to share for election consideration:

Answer: This is an important job that requires you to listen to the membership and represent their interests. Even if you do not agree, you need to take others ideas into consideration.

7. Do you understand the term length for the position you have applied for and the importance of completing the entire term? *Required

Answer: YES

8. Do you understand that you may not serve as an Officer or Director of any other organization association which may use the words "cutting horse" in its name and which is not affiliated with the Association? *Required

Answer: YES
