### CONGRATULATIONS TO OUR INCOMING 2020 - 2021 NYCHA OFFICERS!

#### 2019 SENIOR PRESIDENT'S UPDATE

Hey NYCHA,

I hope you are all doing well and enjoying summer!

I am sorry to announce that all youth activities are canceled for the Summer Spectacular. This includes the banquet, dance, talent show, family fun night etc. I wish there was something we could do to change this but due to COVID-19 and the health restrictions we have to cancel the activities. On the bright side though...we will still be cutting! The Scholarship cutting and the Youth World Finals are still on so 'come a cuttin'!!! As disappointed as I am that we will not be able to have all of the fun events that we usually do at the show, I know that everything happens for a reason and that we have to keep looking on the bright side because we all have so much to be thankful for!

We will keep you updated with any new news as we get it...so keep a look out on our Facebook page for any updates.

I will see you soon and will be cheering for all of you showing!

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus." Thessalonians 5:16-18

## 2020 SENIOR PRESIDENT'S UPDATE

Hi everyone!

My name is Claire Shelton and I will be serving and the NYCHA President this next year. I currently serve as the Vice President and I have enjoyed getting to serve our member so much! We have accomplished a lot this past year and I can't wait to continue our progress into this year. We have new ideas for leadership and educational programs outside of the show pen and I think everyone is going to love them! If anyone has any interest in becoming an Area Director we still have positions open, even if you were an Area Director last year you need to reapply to be one this year! You can contact Mike Simmons or myself to get forms or to ask any questions you maybe have. I can't wait to get started with our new youth board members and I know this year will be great!

## 2020 REGION 7 DIRECTOR'S UPDATE

Hello Everyone. Glad that horse shows are going again and everything is getting closer to normal.

We are in June and it is hot early in Oklahoma. We try to start on the ranch at daylight checking cattle, working horses, slow down in the heat of the day and get back at it spraying, building fence, feeding horses and cattle among other things about 6 to dark.

Looking forward to seeing everyone in Fort Worth.

Ryan Coffey

## 2019 SENIOR REPORTER'S UPDATE

Hello fellow cutters,

I'm so excited for everyone attending the Summer Spectacular. Although things are going to be a little different this year, we are working hard to make it a fun and successful show! ## 2020 JUNIOR REPORTER'S UPDATE

Hello NYCHA!

I can't believe I get to spend another whole year writing for these publications!

For the 2019-2020 term I was your Junior Reporter and I was recently elected to do the same for the 2020-2021 term. I love this job and am so excited to do it again! For those of you who don't know me, I thought I could introduce myself. My name is Riley Farris and as a Junior Officer, I have set goals I wish to see accomplished in the coming year. My main one is that I would like to ensure that our association makes it a priority to make our new members feel welcomed to the cutting family. I know it can be scary to begin cutting or to even switch associations and not know anyone, but it would be much easier if we took the time to personally meet these people and give them a friend right off the bat! Taking it upon ourselves to strive to accomplish not only this goal, but the others the rest of the officers have in mind, I know we can make this the best program ever! Thank you! Please don't hesitate to call me with any questions!

## 2020 JUNIOR REPORTER'S UPDATE

Hey NYCHA! Shows are now back to normal, and it's that time of the year. YOUTH WEEK!!!

Even though we do still get to have our show, there will be some adjustments made. Please go to the NYCHA website to read up on these new changes. Our association is better than ever, and at our upcoming summer spectacular, we are hosting our youth officer elections, so make sure to be there! However exciting it is that the shows are back, keep your safety in mind! If you have any questions or things you would like me to include in an article, don't hesitate to contact me!

## 2020 REGION 6 DIRECTOR'S UPDATE

Hello NYCHA members!

My name is Faith Farris, and I'm one of your newest Regional Directors for the 2020-2021-point year. There are many goals to be accomplished this year, and I'd love to be a part of it all. One thing I think that the NYCHA, or us kiddos, could improve upon, is showing our faith! So, my goal for this year will be encouraging all of us to get more involved in doing church services on Sundays at the horse shows. I find that this is an excellent way for the youth to show appreciation towards our loving God, who gifted us the sport we all adore. If you have any questions about this, feel free to contact me at any time!
